

Ready for Homeownership?

- Living in an inadequate/unsafe place?
- Paying too much of your income for rent?
- Ready to make a long-term commitment to live in the same home for 20, 25 or 30 years?
- Are you ready to have an affordable mortgage?
- Are you willing to keep a house in good condition?
- Are you willing to put sweat equity into your home?

If you answered YES then you should:

1. **Call for an appointment with a Habitat staff person.**
2. We're always looking for qualified households so you can contact us year round.
3. We build throughout Rice County. We have five lots available in Morristown and other opportunities in Faribault and Northfield.

All household members must be documented.

Other requirements apply.

Household income must be at least \$25,000 and up to \$58,400/year
